

Dear Friend,

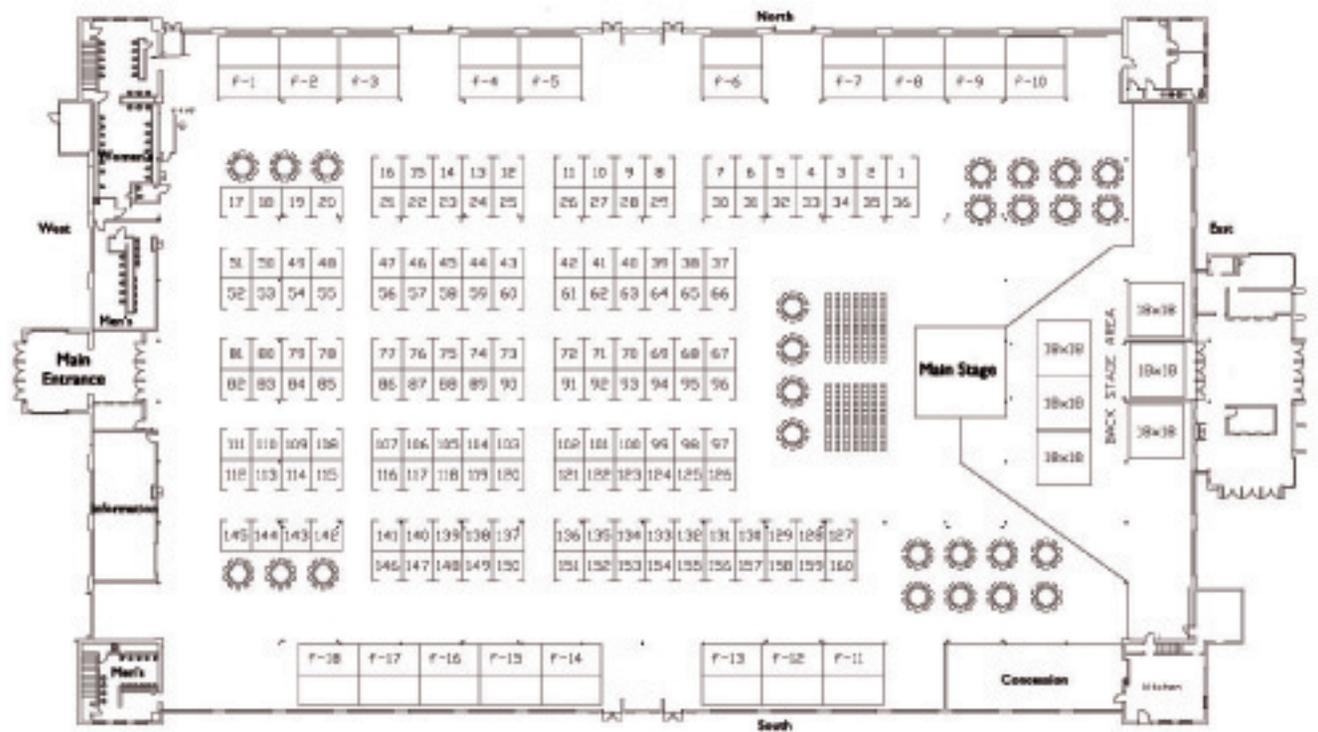

As President of the Nationalities Council of Indiana, I am pleased to welcome you to the 2003 International Festival.

Our vision for the Festival is to offer children, their families and teachers an opportunity to learn about other cultures and nationalities; to communicate to the public the richness and depth of our ethnic roots; to illustrate the growing international dimension of life in Indiana; and to nurture cross-cultural appreciation and global awareness.

We hope you enjoy the 2003 International Festival.

Gene Maresca
